EXCEL... at a special place offering individualized paths to future success

Our faculty and staff take the time to know and guide each and every student through the high school experience — just like we would our own teens.

Our students are given opportunities for future success after high school as well, whether that means acceptance into an Ivy League College, pursuing a career in sports or the arts, excelling at a technical trade, enrolling in a community college, or advancing a vocation in science or technology.

Pathways to Success

One size does not fit all. At Bishop Alemany, academic programs are individually tailored so each student can — with the help of parents and an academic counselor — have an academic strategy that best matches their talents, interests and post-high school goals.

Honors Institute — Designed to inspire high-achieving students through a wide variety of honors and advanced placement courses. Upon completion of requirements, students may earn the AP Capstone Diploma.

College Prep Pathway/Plus — A four-year college prep program that exceeds the minimum eligibility requirements for the UC/CSU system. Students who excel in certain areas can earn the privilege of taking some Honors and Advanced Placement courses during their 10th, 11th, and 12th grade years.

Student Success Pathway — Four-year college admission preparation for new students who need extra support. This individual student program works closely with the student and parents, to place the student in the most appropriate courses to meet their needs and academic goals.

We've got spirit, yes, we do!

The Alemany Cheer program is high-octane support for all Bishop Alemany sports and school-wide pep rallies. Cheer is a testament to teamwork, commitment and athleticism. Open to all grade levels. Alemany's Cheer team members attend a preseason four-day camp with the United Spirit Association. Cheer alumni have continued their careers in college and for professional sports teams.

STRENGTHEN...

Your athleticism and your competitive spirit

Bishop Alemany's exceptional sports program is consistently at the top of its game with numerous championship titles and athletic standouts. And it's no wonder, considering our on-site sports facilities: a 4,000 seat stadium, an aquatic center, multiple fields and courts along with a gymnasium, weight room, and two athletic training facilities.

Among the 22 sports offered is the competitive Football team along with Boy's and Girl's Basketball which have brought home State Championship titles. More than 500 students participate annually in our sport programs; some student athletes have continued their sports careers at various NCAA college programs... and have even turned professional.
